

**THE GENERAC INDUSTRIAL POWER TRUCK IS COMING TO THE CAROLINAS,
SOUTHWEST VIRGINIA AND TRI-CITIES TENNESSEE**

Monday – Friday, November 7 – 11, 2011

Once again, the Power Demo Truck is hitting the road to educate the industry about Generac Industrial Power’s line of innovative power solutions. Designed to travel the country and provide live demonstrations and educational seminars, the Demo Trailer is a 53- foot tractor-trailer that profiles Generac’s Modular Power System (MPS) technology. See A Full Scale Module Of Generac’s Bi-fuel Generator.

The week of November 7th you’ll have the opportunity to see a live demonstration of mps and the most advanced fully integrated generator paralleling system available in the market. If you wish to schedule a time to see the Generac industrial power demo truck, call us today 1-888-790-1672
